

## **REMARKS / ARGUMENTS**

Claims 1–7, 9, 11, and 14–39 are pending. By this Amendment, claim 9 is amended. Reconsideration of the present application is respectfully requested.

Applicant appreciates the courtesies shown to Applicant's representative by Examiner Colbert in the November 28, 2007 telephonic interview. Applicant's separate record of the substance of the interview is incorporated into the following remarks. Specifically, claim 9 is amended to comply with the Examiner's helpful suggestions made during the interview.

### **A. Restriction Requirement**

The Office action asserts that the pending claims should be restricted to one of the following groups:

- I. Claims 1–7
- II. Claims 9, 11, 14, and 15
- III. Claims 16–19
- IV. Claims 20–27
- V. Claims 28–39.

Applicant respectfully traverses this Restriction Requirement. During the November 28, 2007 telephonic interview, Examiner Colbert agreed to withdraw the Restriction Requirement if Applicant added "limitations to be close to the independent claims." Applicant's representative discussed the scope of the independent claims with Examiner Colbert and narrowed the differences to the mirror engines that were missing from claim 9. The Examiner agreed that if the mirror engine features were added to claim 9, she would withdraw the Restriction. Consequently, Applicant amends claim 9 in accordance with the Examiner's recommendations. Thus, Applicant respectfully asserts that the amendment to claim 9 overcomes the current Restriction Requirement and no election is necessary.

### **B. Conclusion**

In view of the foregoing, and consistent with the tentative agreement reached during the Examiner Interview, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1–7, 9, 11 and 14–39 are earnestly solicited.
